“This is a program to explore our individual ability to adhere to a discipline not practiced in parish life—a discipline which allows each of us to grow in listening, trust and openness.”

*Pastor Len Gilley  
Salem, Bark River, MI*

“This series of retreats gives excellent opportunity to reflect upon the wider shape of our lives, particularly in our calls to ordained ministry. The sharing of experiences with others and the encouragement to think a bit more clearly about our assumptions and motives were most helpful.”

*Pastor Fran Strong  
Christ Lutheran Parish, Ironwood, MI*

“This series of retreats provides a time for ‘being,’ rather than ‘doing,’ for listening rather than just talking. ...The spirit of the event is gentle—nothing is forced. There is a sense of freedom.”

*Pastor Dave Van Kley  
Messiah, Marquette, MI*

The series of retreats provided opportunity “to be away from busyness & obligated schedules, to discern and to just ‘be.’ The theme of the seasons went hand in hand with dying and rising, going forth.”

*Pastor Nick Johannes  
Beaver and Porterfield, WI*

“The value of this program is immeasurable. The sabbath rest program has afforded me the opportunity to reconnect with the God who called me into ministry in Jesus’ name.”

*Pastor Dave Christenson  
Stephenson & Wallace, MI*
